### POSITION DESCRIPTION

Under the direction of the Director, the Associate Director and Medi-Cal Tribal Liaison (Associate Director), a Career Executive Assignment (CEA) Level 2, is responsible for ensuring the coordination of departmental programs and advising the Directorate on all matters of policy critical to the Administration's development of publicly financed health care programs and health care reform. The work projects handled by the Associate Director require ongoing intra- and inter-departmental coordination and collaboration.

The Associate Director is responsible for implementing state and national health care reform initiatives for publicly financed health programs under DHCS; coordinating multi-departmental efforts for the development of statewide health care reform initiatives; representing DHCS on high-level workgroups with key stakeholders, advocates, and government officials on issues of state and national health care reform for publicly-financed health programs; participating in departmental and California Health and Human Services Agency (CHHSA) level policy planning, development and strategy sessions on health care reform; functioning as the project coordinator between departmental divisions to ensure cross-divisional involvement, and to provide participants with a thorough understanding of the issues related to identified health care reform initiatives; and reviewing legislative proposals and presenting critical policy issues before the Legislature, control agencies and constituency groups.

In this capacity, the Associate Director serves as the point of contact for DHCS on all matters pertaining to Medi-Cal tribal issues and is responsible for planning, development and implementation of policies pertaining to the departmental efforts in working more collaboratively with Indians, Indian Health Programs and Urban Indian Organizations within the state; and the federal Indian Health Services (IHS) program. These collaborative efforts include attending and participating in meetings and/or conferences at the request of Indians, tribes, tribal organizations,

Indian Health Programs, Urban Indian Organizations, IHS and CMS on all matters pertaining to the Medi-Cal program. Additionally, as the Medi-Cal Tribal Liaison, the Associate Director's responsibilities include coordinating and collaborating with intra- and inter- departmental staff on health care policy issues impacting Indian beneficiaries served by the Medi-Cal program.
